iWATCH
Suspicious Activity Reporting

Suspicious activity is often recalled after an event.
We must train ourselves to be on the lookout for things that are out of the ordinary and arouse suspicions.

What is iWATCH?

"iWATCH, iREPORT, i Keep Us Safe"

iWATCH is a community program to help your neighborhood and workplace stay safe from terrorist activities.

You and your fellow Army community members can report behaviors and activities that make you feel uncomfortable and do not look right (suspicious behaviors).

iWATCH ARMY asks you to report behavior and activities that are unusual or seem out of the ordinary.
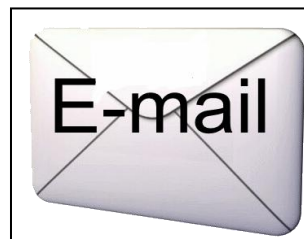

Report Suspicious Activity by Phone, Email, or Online.
